

# PUT A SMILE ON A CHILD GOLF TOURNAMENT

You can make the difference in the life of a child this year. Quillian Center's Golf Tournament will help provide opportunities for boys and girls to participate in youth sports, after school programs, and summer camp.

This is a great way to promote your business while supporting the kids of Quillian. Bring out some of your best clients or give out a foursome as a reward to your employees.

We welcome individual golfers as well as teams of up to four players. Even if you are not a golfer, you can help make a difference with a hole sponsorship. All Donations will help provide recreation activities for boys and girls throughout the year.
